*In re the Estate of Ronald Given, Deceased*, PB-2020-75 (Pottawatomie Co.);  
termination of representation

Dear Mr. Kelly and Ms. Graham

Our mutual client, Eva Kopaddy, has contacted me to instruct me to communicate with you that she hereby terminates your representation in the above-referenced cases and requests immediate delivery of her entire file, including but not limited to evidence like the videos from the Pottawatomie County Public Safety Center. I will continue to represent her at least as long as it takes to bring onboard other counsel more experienced in federal litigation, if possible.

Therefore, upon her demand, send me a copy of her file and the evidence as soon as possible as you file to withdraw from each matter. Also, please send an itemized accounting of your costs thus far so they can be included in what may be requested from the opposing parties at the end of this litigation.
